MR. CHAIRMAN: Do you want to say something, Shri Bimal Jalan?

श्री विमल जालान (**नाम-निर्देशित**) **:** सर,माफ कीजिए । offer my great apology to you for standing up to clarify an important point. The point is substantive - whether there should be a discussion, or there should not be a discussion. We are in the party of Government, and I accept whatever different parties mutually decide. They may deny people the right to speak if that be their desire. But, Sir, the right to vote must be respected. So, I would request you that when you put this particular motion to vote, you must have allowed us to vote. It must not be taken as a unanimous decision to approve this without discussion. Maybe, It is a decision by everybody, except one. So, I want to vote.

THE MINISTER OF PARLIAMENTARY AFFAIRS AND MINISTER OF URBAN DEVELOPMENT (SHRI GHULAM NABI AZAD): We have no problem.

THE MINISTER OF HOME AFFAIRS (SHRI SHIVRAJ V. PATIL): There is no difficulty in discussing it.

MR. CHAIRMAN: I know it very well that Members can speak at any stage. I know it very well.

SHRI SHIVRAJ V. PAUL: Why should we not be allowed? We have not discussed the Budget; we are not discussing the Appropriation Bill also. The law says that any matter, which is not discussed while discussing the Budget itself, can be allowed to be discussed on the floor of the House while discussing the Appropriation Bill. We have not discussed the Budget at all.

श्री सभापति : मैं आपको बता दूं कि यह जो कुछ हो रहा है यह सब पार्टियों की सहमति से हो रहा है ।

SHRI SHIVRAJ V. PATIL: No, Sir, this is ultimately for you to decide and the hon. Member has very rightly said.

SHRI SHIVRAJ V. PAUL: But, what is the harm, Sir? We have the time.
